

Directions

Please note: Our address is unfortunately not yet included on navigation systems.

If travelling by car

- > Follow the highway signs to the **Düsseldorf Airport**. This will take you automatically to the **highway A 44**.
- > Exit at the **Interchange 31 Düsseldorf Airport** and follow the signs for **“Arrivals”** and then **“Airport City”**.
- > Take the **third exit** in the **first roundabout**.
- > Take the first exit to Peter-Müller-Straße in the **second roundabout**.
- > After about 150 metres you will reach “radprax” on the left-hand side, right before the Porsche dealer (“radprax” is in the reddish-grey building with bay windows)

Parking

- > Free parking is available in our **underground car park** to all **clients undergoing preventative examinations** for the duration of their stay. The entrance to the underground car park can be found directly in front of the Porsche Center („Porschezentrum“). Please ring the bell for „radprax“ at the car park barrier. From the underground car park, please take the elevator to the third floor.
- > We hope our **patients** understand that we can only reserve car parks in the underground car park for our clients undergoing preventative examinations and we would like to take the opportunity to alert you to the fact that there are many **car parks** available on **the airport grounds**.
